

Summer Dance Fun

REC DANCE | PRE-TEAM | SPARKS TEAM

Stay Active & Do What You Love!

4 Themed Camps | 4 DAYS EACH | 4 AGE GROUPS

The joy of dance will be brought to life each week with different themes, creative dance, tumbling, jazz technique and hands-on activities. Camps are grouped into four age categories to ensure the perfect fit for all our summer dancers!

Intro2Dance | Ages 2.5-3 | Intro to class basics, musical awareness, technique, movement, choreography

Tiny Dancers | Ages 3-4 | Like our Intro2Dance, just adapted for a dancer a tiny bit older. 3 yo's are required to have one year of dance class experience or they should consider the Intro2Dance class

Mini Dancers | Ages 5-6 | For mini dancers with some experience or no experience at all! Dancers will explore movement, jazz, tap, ballet and basic tumbling

Tech & Tumbling | Ages 7+ | For dancers with prior dance experience. Prepares dancers for their upcoming Team experience or helps dancers learn & grow to progress to a team in the future. Dancers will focus on jazz technique, flexibility and tumbling

*2 Tech & Tumbling camps are required for our Pre-Team and Sparks Troupe Dancers
