PRE-PROFESSIONAL WORKSHOP-STYLE CLASSES FOR BEGINNER, INTERMEDIATE & ADVANCED DANCERS

Summer Impact Training is for beginner, intermediate and advanced dancers, who are team members of an Artistic or Competitive Dance Troupe. Levels are determined through the team audition process and team placement. 16 days of Summer Impact will be offered throughout June and into July. This allows dancers to schedule and meet their required days of Summer Impact training, with additional requirements for Ballet Impact sessions. (See Ballet Impact schedule.) **All Summer Impact Training sessions will be held at the Farmington Studio.**
